AN ACT relating to insurance; repealing provisions creating and providing for the Silver State Health Insurance Exchange; requiring the Executive Director of the Exchange to notify the United States Department of Health and Human Services of the cessation of operations of the Exchange and to coordinate with the Department on a transition plan; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law provides for the establishment of the Silver State Health Insurance Exchange, and requires the Exchange to create and administer a state-based health insurance exchange and to perform all duties that are required of the Exchange to implement the requirements of the federal Patient Protection and Affordable Care Act, Public Law 111-148, as amended by the federal Health Care and Education Reconciliation Act of 2010, Public Law 111-152, and any amendments to, or regulations or guidance issued pursuant to those acts. (NRS 695I.200, 695I.210) Existing law also provides for a Board of Directors of the Exchange, and the appointment of an Executive Director of the Exchange by the Board. (NRS 695I.300, 695I.380) Existing law further provides for the certification of exchange enrollment facilitators, who are in the business of facilitating enrollment in qualified health plans offered by the Exchange. (Chapter 695J of NRS)
Section 6 of this bill requires the Executive Director of the Exchange, on July 1, 2015, to notify the United States Department of Health and Human Services of the intention of this State to cease operations of the Exchange as soon as practicable and coordinate with the Department on a transition plan to be developed jointly between the Department and this State pursuant to the provisions of 45 C.F.R. § 155.106. Section 7 of this bill requires the Commissioner of Insurance, unless otherwise provided in the transition plan developed pursuant to section 6, to participate in any such transition plan, and to assume all debts, obligations and liabilities of the Exchange on the date on which the Exchange ceases to operate under the transition plan. Section 10 of this bill repeals all the provisions related specifically to the Exchange and the exchange enrollment facilitators, and sections 1-4 of this bill make corresponding changes in various provisions of existing law referencing the Exchange. Section 5 of this bill provides that, unless otherwise provided in the transition plan developed pursuant to section 6, the provisions of this bill do not impair or alter the provisions of any qualified health plan, as that term is defined in the federal Patient Protection and Affordable Care Act, as amended by the federal Health Care and Education Reconciliation Act, that is in effect on the date on which the Exchange ceases operations.
