EXPLANATION—Matter in bolded italics is new; matter between brackets [omitted material] is material to be omitted.

SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to prohibit any agency, board, commission or political subdivision of this State or any local government from creating, operating or maintaining or entering into a contract for the creation, operation or maintenance of a health insurance exchange.

Legislative Counsel’s Digest:

1. The federal Patient Protection and Affordable Care Act authorizes a state to establish an exchange to carry out the provisions of the Act. (42 U.S.C. § 18031)
2. The Act also provides that if a state chooses not to establish such an exchange, the United States Secretary of Health and Human Services will establish and operate such an exchange. (42 U.S.C. § 18041)
3. Presently, this State operates the Silver State Health Insurance Exchange pursuant to the Act. (Chapter 695I of NRS) This resolution proposes to amend the Nevada Constitution to prohibit any agency, board, commission or political subdivision of this State or any local government from creating, operating or maintaining or entering into a contract for the creation, operation or maintenance of a health insurance exchange. The effect of such amendment would be to invalidate the Silver State Health Insurance Exchange and
would likely result in the establishment and operation of an exchange in this State for the purposes of carrying out the provision of the Act.

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 17, be added to Article 15 of the Nevada Constitution to read as follows:

Sec. 17. 1. An agency, board, commission or political subdivision of this State, including, without limitation, any agency, board, commission or governing body of a local government, shall not:

(a) Create, operate or maintain a health insurance exchange; or

(b) Enter into a contract or other agreement with any person or entity to create, operate or maintain a health insurance exchange.

2. As used in this section, “health insurance exchange”:

(a) Means a person or entity that:

(1) Facilitates the purchase and sale of health plans in the individual market in this State;

(2) Assists employers in this State in facilitating the purchase of health plans and enrollment of employees or dependents of employees in health plans; or

(3) Assists employers in this State in facilitating the application for subsidies for an employer providing a health plan for employees or dependents of employees.

(b) Includes, without limitation, an American Health Benefit Exchange or a Small Business Health Options Program, as those terms are described in section 1311 of the federal Patient Protection and Affordable Care Act, 42 U.S.C. § 18031.
