NARRATIVE:

On 8/15/16 at about 2120 hrs. the Martin County Sheriff's office received a 911 call in which a male stated that he has just been stabbed and the suspect was still there. The location of the stabbing was 19010 SE Kokomo Ln. Jupiter Fl. 33458. The 911 caller was identified as Jeffrey Michael Fisher 9/25/68 and was transported to Saint Mary's Hospital to be treated for his injuries. When the first Deputy Grace Zopf arrived she observed the suspect identified as Austin Kelly Harrouff 12/21/96, choking and biting a male latter identified as John Joseph Stevens

Stevens 7/2/57 who passed away from his injuries sustained from the suspect. Deputy Zopf stated that the suspect was biting the victim John Stevens and spitting out his flesh. The Deputy stated that the suspect was wearing a blue shirt and silky boxers. Deputy Zopf then ordered the suspect off of the victim (John Stevens) at gun point but the suspect continued to bite and rip off flesh from the victim (John Stevens). Deputy Zopf then used her Taser on the suspect and attempted to handcuff the suspect but she was over powered by the suspect and could not do so. At this point in time Deputy Wayne Trocan arrived and attempted to control the suspect but the suspect kept biting the victim (John Stevens). A Tequesta K-9 officer showed up on scene and deployed his dog. The dog was able to latch onto the suspect's arm but the suspect continued to bite and rip off flesh from the victim (John Stevens). Deputy Trocan along with the dog still on the suspects arm was able to get one arm into hand cuffs, and dragged the suspect off of the victim (John Stevens). Deputy Zopf stated that the suspect was yelling at the Deputy "fucking kill me, fucking kill me, shoot me now, I deserve to die."

Deputy Trocan stated when he arrived on scene he noticed Deputy Zopf attempting to control the suspect, who had a male wrapped in his arms and was biting the face and attempting to rip of the victim's (John Stevens) cheek off. Deputy Trocan noticed that the victim (John Stevens) had multiple stab wounds to the torso area and was bleeding profusely. Deputy Trocan attempted to remove the suspect by using his Taser but the suspect would not let go of the victim (John Stevens). Deputy Trocan began kicking the suspect in the head area which temporarily caused the suspect to let go of the victim (John Stevens), but then the suspect grabbed the victim (John Stevens) again and began to chew the victim's (John Stevens) face again. A Tequesta K-9 officer arrived and gave an order the suspect to let the victim go and comply with their lawful order. The Tequesta Officer informed everyone that he was deploying his dog once he noticed that the suspect was not complying with their lawful orders. The K-9 was deployed and latched onto the arm of the suspect who was still holding onto and chewing the victim (John Stevens). Deputy Trocan along with the other officers and K-9 were able to handcuff and remove the suspect at this time. The suspect was transported to the hospital for his injuries.

I interviewed the victim Jeffrey Fisher who stated that on 8/15/16 at about 2115 hrs. he was going into his bed when he heard a female screaming, Jeffery went to the front door to see what was going on. Jeffery observed a male white hitting a female (Michelle Mishcon), inside of the garage located directly across the street from his home 19009 SE Kokomo Ln. Jupiter Fl. Jeffery went across the street to address 19010 Se Kokomo Ln. Jupiter Fl. and entered the garage of this location where the suspect was hitting the female identified as Michelle Karen Mishcon 3/14/63. Jeffery stated that as he entered the garage the female victim (Michelle Mishcon) was lying in a pool of blood and was not moving or saying anything. The female victim identified as Michelle Karen Mishcon 3/14/63 was pronounced deceased as a result of her injuries sustained from the suspect. Jeffery stated to me the suspect told him "you don't want too, you don't want this, you don't want a part of this ". The suspect then struck Jeffery on the side of his head and continued to hit Jeffery. Jeffery noticed he was bleeding from the head area where the suspect had hit him. At this time Jeffery was able to hit the suspect and pull the suspect to the ground. Jeffery ran through the house trying to get away from the suspect. Jeffery was able to go through sliding glass doors into the yard and then back to his home where he noticed he was stabbed multiple times and called 911. Jeffery stated that as he was trying to get away he heard the suspect yelling but he didn't know what he was saying.

The medical examiner conducted an autopsy on John Stevens and Michelle Mishcon, and ruled that their death was a homicide. The cause of death for John Stevens was multiple injuries and the cause of death for Michelle Mishcon was blunt force trauma injuries. The other victim

Jeffrey Fisher suffered multiple stab wounds, one large cut to his head that caused bleeding and multiple staples, a puncture wound to his lower back, he also required exploratory surgery to his stomach due to bleeding and a broken thumb.
