INTRODUCTION

6 1. On or about September 13, 2015, an unsecured GLOCK 26 9mm caliber gun was
7 left in an unlocked bag, in plain view, in an unattended rental vehicle that was parked on the street
8 in an area of downtown San Francisco that is well-known for auto-thefts and smash-and-grabs.
9 The gun was a government-issued duty weapon of an ICE officer.¹

On or about September 29, 2015, at approximately 10:30 a.m., that same gun was
 used by a well-known gang member and convicted felon, Marquise R. Holloway,² to shoot and
 kill TONY in broad daylight while he was volunteer painting a community, antiviolence mural on
 the 580 freeway underpass in the 3500 block of West Street in Oakland, California.

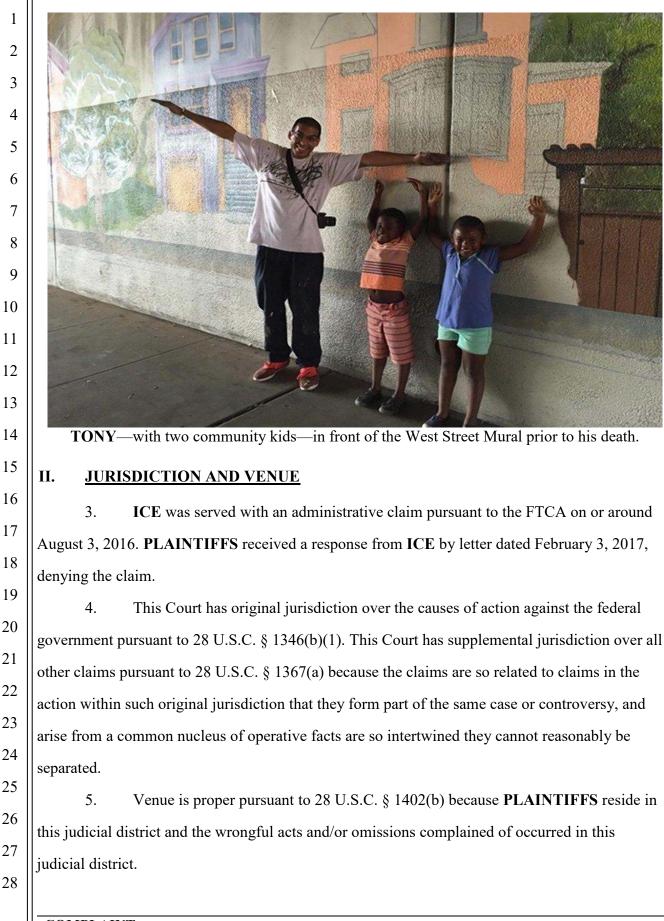

TONY painting the West Street Mural prior to his death.

Marquise R. Holloway is associated with the notorious Ghost Town gang, which claims the area where Tony was painting the mural as part of its territory. M. Fraley and H. 1 III. <u>THE PARTIES</u>

A. <u>Plaintiffs</u>

6. Decedent Antonio Ramos ("TONY"), now deceased, was a resident of Emeryville,
California. TONY was born on September 9, 1988, and was twenty-seven years old at the time of
his death. TONY was a Bay Area native, an altruistic and high-spirited young man with a passion
and gift for all forms of art, especially painting and music. He deeply loved his family and had a
longstanding reputation for being committed to helping and caring for others. TONY is the son of
Teresa Lopez and Red Ramos.

9 7. Plaintiff Teresa Lopez ("TERESA") is, and at all relevant times was, a resident of
10 Emeryville, California. Teresa is the mother of TONY and a proper personal representative and
11 heir pursuant to Code of Civil Procedure section 337.60(a).

- 8. Plaintiff Red Ryder Ramos ("RED") is, and at all relevant times was, a resident of
 Emeryville, California. Red is the father of TONY and a proper personal representative and heir
 pursuant to Code of Civil Procedure section 337.60(a).

B. <u>Defendant</u>

16 9. The United States of America ("USA") is the federal government, who is the 17 proper defendant pursuant to 28 U.S.C. § 2679(b)(1) for claims for money damages arising from 18 or out of a negligent or wrongful act and/or omission of any federal employee committed within 19 the course and scope of their employment. The United States Department of Homeland Security is 20 a cabinet department of the USA with Immigration and Customs Enforcement ("ICE") acting as 21 its law enforcement agency. ICE, through its officers, officials, agents and/or employees, is 22 responsible for enforcing the nation's immigration laws and ensuring the departure of 23 undocumented immigrants from the United States.

IV. <u>STATEMENT OF RELEVANT FACTS</u>

2

<u>The Failure of ICE to Secure Weapons Is Well-Documented</u>

A January 2010 report by the Office of the Inspector General identified an
 alarming number of "missing" weapons from agencies within the Department of Homeland

Security, which includes ICE. Department of Homeland Security agencies reportedly lost 289
firearms in Fiscal Years 2006 throughout 2008—i.e. this amounts to a firearm being lost *every four days*. ICE and the Customs and Border Protection accounted for 243 of the lost firearms—or
close to 85% percent of the total number. The Office of the Inspector General determined that 179
of the 243 firearms (74%) went missing due to an agent or officer's failure to properly secure the
weapon and that "all 179 losses may have been prevented had the officers properly safeguarded
their firearms."

8 11. In response to its finding that ICE did not adequately safeguard and control its
9 weapons in 2010, the Office of the Inspector General pointed out that ICE policies and
10 procedures require agents and officers to secure a firearm with an ICE-approved safety-locking
11 device when left in a vehicle. Despite this measure, the Office of the Inspector General
12 recommended that ICE take further measures to align itself with *best practices*: "While using a
13 safety-locking device is good practice, the best way to protect firearms from theft is to store them
14 in lockboxes properly mounted as recommended in the manufacturers' guidelines."

B. <u>The Theft of the Gun Was a Foreseeable Consequence of Leaving it</u> <u>Unsecured, In Plain View, In a Vehicle Parked on the Street in a High Auto</u> <u>Theft Neighborhood</u>

18 12. San Francisco (and California, generally) has a well-documented and publicized
auto-theft problem, including the theft of firearms from vehicles. In 2014, the National Insurance
Crime Bureau determined that California claimed nine (9) out of ten (10) of the nation's highest
auto theft locations. Overall, San Francisco was ranked number four (4) in the nation, and had a
rate of 649 stolen vehicles for every 100,000 residents.³

- 13. In August 2015—approximately one month prior to the gun being stolen—it was
 highly publicized that San Francisco was experiencing a severe jump in car break-ins: "An
 alarming 47 percent spike in San Francisco car break-ins in the first half of this year has prompted

Between January 3 and June of 2015, San Francisco reported 11,917 vehicle burglaries in the city. This represented a 4 47% increase from 2014, a 62% increase from 2013, and a 171% increase from 2010.⁴ 5 In early September 2015, the SF Chronicle reported: "San Francisco tourists 14. 6 plagued by auto burglaries." According to that article, "car break-ins are epidemic in San 7 Francisco," and "smash-and-grabbers are *clearly going after rental cars*." Accordingly, at least 8 one San Francisco Supervisor was asking rental car companies to make consumers aware that 9 "break-ins are common and that they should not leave belongings in full view in the car." There 10 were also signs posted in high auto break-in areas, warning people to "Park Smart!" and "Take 11 <u>ALL</u> your belongings with you."⁵ If You Reques Printed Receip 12 13 14 or If you have any qu ont or any other ser 15 call at CustomerCa 16 17 18

This was up from forty-eight (48) guns in 2014, 22 and thirty-one (31) in 2013.⁷ 23 Sernoffsky, Evan, "Jump in S.F. car break-ins prompts frustration, finger-pointing," 24 SFChronicle.com (Aug. 15, 2015) available at: http://www.sfchronicle.com/news/article/Jump-in-S-F-car-break-ins-prompts-frustration-6446750.php?t=a2da5e08910a4808f6&cmpid=premartcl 25 (last accessed 7/25/2017). 26 Nevius, C.W., "San Francisco tourists plagued by auto burglaries," SFChronicle.com (Sept. 9, 2015) available at: http://www.sfchronicle.com/bayarea/nevius/article/San-Francisco-tourists-27 plagued-by-auto-burglaries-6494486.php?cmpid=premartcl (last accessed 7/25/2017). Con the morning of Tuesday, September 29, 2015, TONY was volunteering his

1 25. **PLAINTIFFS** allege that one or more **ICE** officer(s) acted negligently, carelessly, 2 recklessly, and/or unlawfully by, including but not limited to: (1) failing to properly secure the 3 subject firearm and/or ammunition; (2) failing to properly store the subject firearm and/or 4 ammunition; (3) leaving the subject firearm and/or ammunition in an unlocked bag in plain view 5 (not in the trunk) in a rental car parked on the street in a well-known high auto-theft and break-in 6 neighborhood; (4) leaving the subject firearm and/or ammunition in close enough proximity to the 7 window of a vehicle that a passerby could smash the window and obtain the firearm and/or 8 ammunition; (5) leaving the subject firearm loaded with ammunition while not in use and/or in an 9 unattended vehicle; (6) failing to carry the subject firearm on his/her person at all times; and/or 10 (7) using a rental vehicle to transport the subject firearm and/or ammunition.

11 26. It was foreseeable that leaving a bag in plain sight in a rental vehicle parked on the
12 street in a high auto theft and break-in neighborhood would result in the vehicle and/or bag's

14 also reasonably foreseeable that a firearm and ammunition once stolen, would then be used in the
15 near future to pursue a criminal course of conduct.

16 27. As a direct and legal result of the wrongful acts and/or omissions of the ICE
17 officer, Marquise Holloway—a known gang member and felon with a prior conviction in 2012 for
18 second-degree robbery, rendering Holloway unable to legally obtain a firearm in the state of
19 California—was allowed access to a loaded weapon that he used to kill TONY.

20 28. By reason of the wrongful death of TONY, resulting from the wrongful acts of
21 Defendant USA, Plaintiffs suffered and continue to suffer significant and traumatic loss due to
22 being deprived of the love, society, solace, companionship, comfort, care, assistance, protection,
