JURISDICTION

1. The jurisdiction of the court is involved pursuant to the Civil Rights Act of 1871, 42 U.S.C. § 1983; the Judicial Code, 28 U.S.C. § 1331, § 1343, and (b); the Constitution of the United States; and this Court's supplementary jurisdiction powers pursuant to 28 U.S.C. § 1367.

10. Defendant, SHERIFF MARK CURRAN (hereinafter referred to as "CURRAN") was at all times relevant, the duly elected sheriff of Lake County and the chief administrator of the Lake County Jail. At all times relevant, he was acting under color of law and in the course and scope of his employment as the agent, servant and an official policy maker for the Defendant, LAKE COUNTY on issues relating to care of prisoners in Lake County Jail and the policies, procedures and customs, as well as the acts and omissions, challenged by this suit and as the County's chief law enforcement officer. He is being sued in his official and individual capacities.

11. Defendant, CHIEF DAVID WATHEN (hereinafter WATHEN), was at all relevant times, the Chief of Corrections in the Lake County Sherriff's Office. 15. JOHN DOE OFFICERS AND SUPERVISORS were other correctional officers and supervisors at the Lake County Jail during the events complained of and contributed to injuries suffered by the Plaintiffs, through their actions or omissions. JOHN DOE OFFICERS and SUPERVISORS are sued in their individual capacities. Plaintiff will ask leave of the Court to amend this Complaint to insert these Defendants' true names and capacity when same have been ascertained and will further ask leave to join said Defendants in these proceedings.

CLASS CERTIFICATION ALLEGATION

16. All Plaintiffs bring this action on their own behalf and pursuant, to Rules 23(a), and 23(b)(1) of the Federal Rules of Civil Procedure, on behalf of a class of affected inmates in the Lake County Adult Correctional Facility located at 20 S County Street, in the City of Waukegan, County of Lake, State of Illinois.

17. **Numerosity**

The class is so numerous that joinder of all members is impracticable. The aforementioned allegations have affected all inmates in the Lake County Adult Correctional Facility at the times alleged. At any time, the Lake County Adult Correctional Facility can maintain a capacity of 740 inmates. As such joinder of all members of the class is impracticable.

18. **Commonality**

There are questions of law and fact common to all members of the class. Such questions include, but are not limited to:

- a. Intentionally shut off the water at Lake County Adult Correctional Facility;
- b. Failed or intentionally deprived class members the necessary amount of drinking water;
- c. Failed or intentionally deprived class members from taking a shower;
- d. Failed or intentionally subjected class members to be in a cell while feces and urine festered in the toilet for a prolonged period of time;
- e. Had inadequate policies and/or procedures in effect to ensure the safety, health and well-being of the class members, when they shut the water off;
- f. Failed or intentionally caused class members to live in inhumanely and unsanitary conditions;
- g. Failed or intentionally ignored to address class members requests for additional water, and concerns of living in unsanitary conditions

19. **Typicality**

The claims of the plaintiffs are typical of those of the plaintiff class. Each of the named plaintiffs, as well as the class members, were subject to the water being shutoff in the

Lake County Adult Correctional Facility during the times alleged and suffered various and common injuries therefrom.

20. **Adequacy**

Plaintiffs are capable of fairly and adequately protecting the interest of the plaintiff class and will diligently serve as class representatives. Plaintiffs do not have any interests antagonistic to the class. Finally, plaintiffs are represented by counsel experienced in civil rights litigation.

21. **Rule 23(b)(1)**

This action is maintainable as a class action pursuant to Federal Rules of Civil Procedure 23(b)(1) because the prosecution of separate actions by individuals would create a risk of inconsistent and varying adjudications, which in turn would establish incompatible standards of conduct for the defendants. Additionally, the prosecution of separate actions by individual members could result in adjudications with respect to individual members that, as a practical matter, would substantially impair the ability of other members to protect their interests.

GENERAL ALLEGATIONS and FACTUAL SUMMARY

22. On or around November 7, 2017, and at all times relevant, Plaintiffs, TAPANGA HARDEMAN, DANIEL WILLIAMS, QUENTA LAMAR WASHINGTON, LEWIS MYLES, and LAVONTE MUREL, were inmates at the Lake County Adult Correctional Facility in the City of Waukegan, County of Lake, State of Illinois.

23. On or about November 7, 2017, Defendants, COUNTY OF LAKE, LAKE COUNTY SHERIFF, CURRAN, WATHEN, JOHN DOE LAKE COUNTY SHERIFF OFFICERS AND SUPERVISORS, turned off the water at the Lake County Adult Correctional

Facility. Defendants never informed the Lake County Jail inmates, including but not limited to the Plaintiffs, that the water was going to be turned off.

24. On or about November 7, 2017, Defendants, COUNTY OF LAKE, LAKE COUNTY SHERIFF, CURRAN, WATHEN, JOHN DOE LAKE COUNTY SHERIFF OFFICERS AND SUPERVISORS, individually and/or by and through their agents, servants, and/or employees, implemented a policy limiting all Lake County Jail inmates, including but not limited to the Plaintiffs, to five water bottles per day for all personal needs.

25. From on or about November 7, 2017 through November 10, 2017, said policy of the Defendants, COUNTY OF LAKE, LAKE COUNTY SHERIFF, CURRAN, WATHEN, JOHN DOE LAKE COUNTY SHERIFF OFFICERS AND SUPERVISORS, individually and/or by and through their agents, servants, and/or employees, required all Lake County Jail inmates, including but not limited to the Plaintiffs, to use the water bottles for everything, including but not limited to, drinking, cooking, brushing teeth, washing hands and face, and to take with medication. Lake County Jail correctional officers, and employees, denied inmate requests for additional water bottles, and in some instances placed inmates on lockdown for repeatedly requesting additional water bottles. As a result, inmates were either unable to take their medication, or were deprived of the necessary amount of drinking water to stay hydrated while taking medication.

26. On or about November 7, 2017, Defendants, COUNTY OF LAKE, LAKE COUNTY SHERIFF, CURRAN, WATHEN, JOHN DOE LAKE COUNTY SHERIFF OFFICERS AND SUPERVISORS, individually and/or by and through their agents, servants, and/or employees, implemented a policy prohibiting inmates, including but not limited to the Plaintiffs, from flushing the toilets in their cells unless feces were present, and were not allowed

to flush their toilets overnight. Furthermore, each “Pod” had a barrel of water, and said policy required inmates, including but not limited to the Plaintiffs, to use the water for bathing, cleaning their cells, and flushing their toilets. Despite using said water to flush toilets when feces were present, Lake County Jail inmates, including but not limited to Plaintiffs, attempts to flush were unsuccessful and feces and urine remained in the toilets. Thus, Lake County Jail inmates, including but not limited Plaintiffs, were required to be situated in their cells with urine and feces festering for prolonged period of times. The presence of urine and feces festering in toilets produced a distinct, putrid aroma that caused inmates to become sick, sleep deprived, and agitated. The presence of urine and feces also attracted insects.

27. Furthermore, Lake County Jail inmates, were required to share water from the barrel of water in their “Pods” for bathing, showering, and personal hygiene matters. Moreover, Lake County Jail inmates, including but not limited to the Plaintiffs, were required to use the same water to clean their cells.

28. From on or about November 7, 2017 through November 10, 2017, due to the Defendants’ conduct, Lake County Jail inmates, including but not limited to the Plaintiffs, were forced to live inhumanely, unsanitary conditions, and were deprived of the necessary amount of drinking water to keep them hydrated, and to satisfy basic health and medical needs. As a result, Lake County Jail inmates, including but not limited to the Plaintiffs, suffered from a variety of ailments, including but not limited to, dehydration, migraine headaches, sickness, dizziness, constipation, and general malaise.

29. On the evening of November 10, 2017, Defendants, COUNTY OF LAKE, LAKE COUNTY SHERIFF, CURRAN, WATHEN, JOHN DOE LAKE COUNTY SHERIFF

OFFICERS AND SUPERVISORS, individually and/or by and through their agents, servants, and/or employees, turned the water back on at the Lake County Adult Correctional Facility.
