IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

Before me, the undersigned Assistant District Attorney of Harris County, Texas, this day appeared the undersigned affiant, who under oath says that he has good reason to believe and does believe that in Harris County, Texas, **DANIEL ABRAHAM TREVINO**, hereafter styled the Defendant, heretofore on or about **September 12, 2018**, did then and there unlawfully, intentionally and knowingly threaten Christina Ibarra, a person with whom the Defendant had a dating relationship, hereafter styled the Complainant, with imminent bodily injury by using and exhibiting a deadly weapon, namely, firearm.

PROBABLE CAUSE:

Affiant Philip Pak is a Detective assigned to the Family Violence Division of the Houston Police Department. Affiant believes and has reason to believe that Daniel Abraham Trevino, hereafter styled the Defendant committed the felony offense of aggravated assault – deadly weapon against a family member on or about September 12th 2018 at 1 Goodson Drive #155, in Houston, Harris County, Texas. Affiant bases his belief on the following facts:
Affiant was assigned this case for a follow-up investigation. Affiant reviewed the original report written by Houston Police Officer R. Durrett. On September 12, 2018, Officer Durrett reported that he spoke with Christina Trevino Ibarra, a credible and reliable person hereafter styled the Complainant. Complainant reported that on this date, the Defendant pointed a revolver handgun towards her face and threatened to kill her. Complainant reported that she knows the Defendant by name and sight. Complainant reported that she was in a dating relationship with the Defendant and this incident took place inside the residential address of 1 Goodson Drive #155 (Casa Verde Apartments), in Harris County, Texas. Complainant reported to Officer Durrett that the Defendant was under the influence of recreational drugs after he partied the previous night while smoking crystal meth and cocaine. Complainant reported that the Defendant was paranoid and began to accuse her of infidelity and sleeping with other men. Complainant reported that the Defendant demanded to see her cell phone as he pointed a silver colored revolver handgun at her head. Complainant reported that the Defendant told her, "bitch, I'll kill you and your son if you were messing with some dude". Complainant reported that she was in fear for her life and believed the Defendant would kill her. Complainant reported that while the Defendant gathered his personal belongings, her daughter, Kristal Ibarra came to visit her. Complainant reported prior to the Defendant leaving the residence, he pointed the gun at her head again and stated, "I'll fucking kill you and all your children if they have called the police". Officer Durrett spoke to the Complainant's son, Alejandro Ibarra, who stated that he heard the Defendant yell from inside the residence that he was going to kill him and the Complainant. Alejandro Ibarra reported that he was inside the residence occupying a different bedroom when the Defendant was threatening his mother, who is the Complainant.
On September 12, 2018, I spoke to Complainant Christina about the assault. Complainant stated the assault occurred at 1 Goodson Drive #155, in Houston, Harris County, Texas. Complainant restated the facts that she originally reported to Officer Durrett. Complainant said the Defendant was under the influence of drugs and alcohol when he confronted her inside her apartment as he accused her of cheating on him. Complainant said the Defendant then demanded that she return him three hundred and sixty dollars of his share of the rent money. Complainant said the Defendant pointed a silver colored revolver handgun at her as he stated, "I'll kill you and your son if you don't give me my money". Complainant said she called her daughter, Kristal Ibarra to bring her some money to give the Defendant since the Complainant didn't have any money. Complainant said that when her daughter arrived to her residence, the Defendant walked outside towards where her daughter was parked and stated, "ain't no one leaving from this bitchass apartment. I'll kill you all and anyone comin' through this door is gonna die". Complainant said the Defendant allowed her to hand her daughter her television to pawn for some money. Complainant said the Defendant told her to get back inside the house while he was pointing his revolver handgun at her. Complainant said the Defendant made her sit at the dining room table as he began assaulting her by striking her legs with the handle part of the revolver handgun, causing her legs pain and bruising. Complainant said the Defendant told her, "call your bitchass son from the room because I'm gonna kill both of ya'll right now". Complainant said she kept pleading with the Defendant not to harm her and assured him that her daughter would return to the residence with the money he requested. Complainant said Daniel then stated he would return later to retrieve his personal property from inside the apartment and fled the location. Complainant said she was in fear for her life when the Defendant threatened to kill her and her son. I observed the Complainant to have visible bruising on both front portion of her thighs and observed these injuries were consistent with her statement.

On September 14, 2018, I spoke to Witness Kristal Ann Ibarra, a credible and reliable person who is the daughter of the Complainant. Witness Kristal advised that on September 12, 2018 at 1 Goodson Drive #155, she recalled receiving a phone call from her mother as she requested that she drop off some money for her. Witness Kristal said while on the phone with her mother, she heard through the phone when the Defendant yelled, "you better tell that bitch to give me my money! You don't want me to go awol on your mom and your brother". Witness stated she drove to her mother's residence to pick up her mother's television, so she can pawn it for cash. Witness stated that while she was parked in front of her mother's residence, the Defendant walked outside and lifted his shirt to display a silver colored handgun tucked in his front waistband. Witness stated that she then observed the Defendant then point the handgun towards her mother as he told her mother to hurry up and get back inside the house.

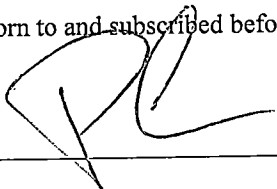

On September 14, 2018, I spoke to Witness Alejandro Ibarra, a credible and reliable person who is the son of the Complainant. Witness Alejandro advised that on September 12, 2018 at 1 Goodson Drive #155, he was occupying one of the bedrooms inside the listed residence. Witness Alejandro said he recalled the Defendant screaming at his mother from inside a separate bedroom at the listed residence. Witness Alejandro said he approached their bedroom and saw the Defendant holding a revolver handgun while he was yelling at Complainant Christina. Witness Alejandro said he heard the Defendant state, "I'll kill you and your son".

Based on the Complainant's statements, witness statements, and my observations, which corroborated her statement, I found the Complainant to be credible and reliable.
