

Virginia:

In the Circuit Court of the City of Richmond, John Marshall Courts Building

DISQUALIFICATION ORDER

WILLIAM C. GREGORY,
PLAINTIFF,

V.

Case No.: CL20-2441

GOVERNOR RALPH S. NORTHAM, et al.,
DEFENDANTS,

Upon further reflection on the issues in this case, I conclude that the location of my home in the vicinity of the Lee Monument area may create the appearance of a bias among some Virginians. I was unaware at the outset of this case that I lived in the Monument Avenue Historic District. I therefore recuse.

This matter is directed to the Chief Judge of this Court for further handling pursuant to the Judicial Qualification Policy.
