

I, Matthan C. Wilson of Suffolk, Virginia, make this affidavit in support of my withdrawal of Oath Of Elector.

1. I am a registered voter in the Commonwealth of Virginia who resides at 4417 Brent St. Suffolk, VA 23435
2. On or about August 11, 2020, I was approached by representatives of an independent political campaign, respectively (collectively, "the Representatives," or individually, "Representative").
3. The Representatives asked me to sign to be an "elector for the state" and that my "name would be entered into a pool to be individually picked to be part of the Electoral College." I was not informed that I was committed to vote for Kanye West or any other particular candidate.
4. Thereafter, the Representatives presented me with a document to sign.
5. One of the Representatives who sought to recruit me to sign the document also acted as a notary for my signature. At first, the Representatives were reluctant to notarize the document in front of me. However, after I insisted that the Representatives notarize the document, one Representative notarized my signature after I signed the document, in my presence.
6. At the time of my signature, I did not know I was signing up to act as an elector for Kanye West and Michelle Tidball's campaign for President and Vice President, respectively. Kanye West's name was never mentioned. I now believe that the Representatives obtained my signature under false pretenses.
7. Recently, I first learned that the document I signed indicated agreement to be an elector on, or about, August 21, 2020, when a reporter contacted me.
8. I do not intend to perform the duties of an elector on behalf of Kanye West and Michelle Tidball and do not believe that I was properly identified as an elector.

NOT

9. I seek to immediately withdraw my oath as an elector for Kanye West and Michelle Tidball's campaign, to the extent that my appointment as an elector was ever valid. At no point have I manifested any intention to serve as an elector for the campaign. I do not intend to do so going forward.

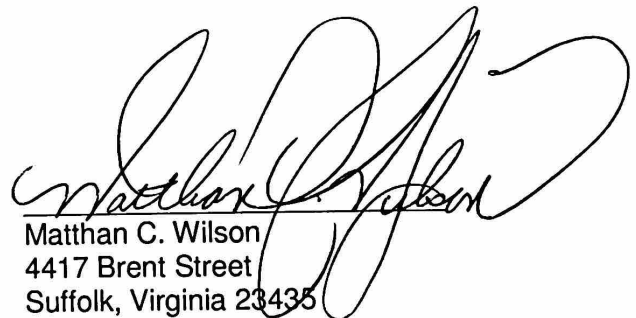

10. I do not commit to supporting the Kanye West and Michelle Tidball campaign - either with my vote during the General Election or at any point thereafter.

11. If I had known that by signing the form, I committed to act as an elector for Kanye West and Michelle Tidball, and to vote for them as an elector, I never would have done so.

The statements contained in this affidavit are true and correct to the best of my knowledge, information and/or belief.

FURTHER AFFIANT SAYETH NAUGHT.
