I, Erica L. Reilley, declare as follows:

1. I am a partner in the law firm of Jones Day, attorneys of record for Defendant Michael Planet, in his official capacity as the court executive officers and clerk for the Superior Court of California, County of Ventura (“VSC”), in the above-captioned litigation. I am admitted to practice in this state and before this Court. I have personal knowledge of the facts set forth below and if called up on as a witness, I could and would testify competently thereto.

2. I have been counsel of record in this case since its inception in 2011 to present. I am personally familiar with the amounts Jones Day has billed in connection with its representation of VSC in this matter, and I regularly review the invoices reflecting those amounts. To-date, Jones Day has billed and invoiced 4,219 hours in connection with its representation of VSC in this matter, totaling approximately \$1.6 million in fees.

I declare under penalty of perjury of the laws of the United States of America that the foregoing is true and correct.

Executed this 5th day of March, 2021, in Los Angeles, California.
