

DEFENDANT: RICHARD HOLZER  
CASE NUMBER: 1:19-cr-00488-RM-1

### SPECIAL CONDITIONS OF SUPERVISION

1. You must participate in a program of mental health treatment approved by the probation officer and follow the rules and regulations of such program. The probation officer, in consultation with the treatment provider, will supervise your participation in the program as to modality, duration, and intensity. You must pay for the cost of treatment based on your ability to pay.
2. You must submit your person, property, house, residence, vehicle and/or storage facilities to a search conducted by a United States probation officer. Failure to submit to search may be grounds for revocation of release. You must warn any other occupants that the premises may be subject to searches pursuant to this condition. An officer may conduct a search pursuant to this condition only when reasonable suspicion exists that you have violated a condition of your supervision and that the areas to be searched contain evidence of this violation. Any search must be conducted at a reasonable time and in a reasonable manner.
3. You must allow the probation officer to install software/hardware designed to monitor activities on any personally or family-owned, leased, or rented computer or Internet capable device you are authorized by the probation officer to use. This monitoring may record any and all activity on the device, including the capture of keystrokes, application information, Internet use history, email correspondence, and chat conversations. You must not attempt to remove, tamper with, reverse engineer, or in any way circumvent the software/hardware. Monitoring data or reports may be reviewed by the probation officer at any time to assure compliance with all special conditions of supervised release.
4. Your use of personally or family-owned, leased, or rented computers and Internet capable devices will be limited to those computers and devices you request in advance to use and which the probation officer authorizes. Authorization of any such computer or device shall be based on the ability of the computer or device to be effectively monitored by monitoring software/hardware utilized by the Probation Office. You must disclose any username(s) or identification(s) and password(s) for all authorized computers or Internet capable devices to the probation officer and keep that disclosure complete and up to date.
5. Your use of other computers and Internet capable devices is prohibited, except to the extent that such other computers or devices need to be accessed, (i) for emergencies; (ii), for completion of routine transactions at commercial, health, or religious "brick and mortar" establishments; (iii), for the completion of employment duties and responsibilities; (iv) for voting or census reporting; or (v) as otherwise approved by the probation officer. The probation officer shall approve use of such other computer or device, absent reasonable suspicion that you are using such computer or device to circumvent the monitoring of your personal or family owned, leased or rented computer or device.
6. You may not create any social media account without, within 24 hours of creation, providing the probation officer with an identification of the account and all usernames, passwords and other information necessary to enable the probation officer to access the account. Any change in such information shall be reported to the probation officer within 24 hours. All such accounts shall be subject to search/review by a United States Probation Officer at any time.
7. You may not post to the Internet (including any board, chat or community meeting room) or to any social media group or account any anti-Semitic statement, material or symbolism. Nor may you post (i) any statement, material or symbolism which supports, advocates, approves of, or endorses Adolph Hitler or Nazi ideology; or (ii) any statement, material or symbolism which supports, advocates, approves of, or endorses white supremacy. For purposes of this condition, "post" includes direct posting, any form of tagging, "liking," or otherwise showing agreement or approval of such posts of others, as well as reposting, linking to or otherwise directing others to such third-party posts.
8. You shall not visit any Internet site which you know or have reason to believe supports, advocates, approves of, or endorses anti-Semitism or white supremacy.
9. You shall not knowingly acquire, possess or otherwise use any photograph, flag, clothing, patch, imagery, jewelry, literature, or other material depicting support for or association with anti-Semitism or white supremacy. Specifically included in this prohibition, without limitation, are: Mein Kampf, swastikas, iron crosses, other Nazi memorabilia or symbolism; Thor's hammer; KKK symbolism; numeric symbols: 12, 14, 18, 88, 311, or 1488; the Aryan Fist; 14 words; the Celtic cross; the Sonnenrad; the Valknut; and the Blood Drop Cross.
10. You shall not knowingly associate or have contact with any individual you know or have reason to believe is a member of any anti-Semitic or white supremacist group, association or organization. For purposes of this prohibition, "associate" and "have contact" include on-line and virtual association or contact.
11. You shall not enter upon the grounds of any synagogue or Jewish Community Center.
