13 Business and Professions Code sections 17200 et seq. and 17500 et seq.  
14

15 **II. DEFINITIONS**

16 2. For the purposes of this Judgment, the following definitions apply:

17 a. “ACCOUNT” or “GOOGLE ACCOUNT” means an account which a

22 through which a USER creates an ACCOUNT.

24 enabled, allows GOOGLE to show USERS personalized advertisements across DEVICES based on  
25 their activity on GOOGLE services, such as GOOGLE Search or YouTube, and on websites and  
26 applications that partner with GOOGLE to show advertisements.  
27

28 d. “ADS PERSONALIZATION LOCATION INFORMATION CONTROL”

1 means the ACCOUNT setting that, when enabled, allows GOOGLE to show USERS personalized  
2 advertisements across DEVICES based on LOCATION INFORMATION saved as part of the

4 this Judgment, this ACCOUNT setting can be found by navigating to the Google Account page,  
5 clicking the “Data & Privacy” tab followed by the “My Ad Center” link, and then clicking “Areas  
6 where you’ve used Google” at [https://myadcenter.google.com/controls/ads-data/historical-](https://myadcenter.google.com/controls/ads-data/historical-location?hl=en)  
7 [location?hl=en](https://myadcenter.google.com/controls/ads-data/historical-location?hl=en).  
8

9 e. “AUDIENCE ONE” means the GOOGLE internal system for building a  
10 coherent and unified view of USERS, including one common audience targeting offering, to deliver  
11 more relevant and targeted ads to USERS, as well as any successor GOOGLE system that  
12 accomplishes the same purpose.  
13

14 f. “CLEAR AND CONSPICUOUS” means a disclosure that is easily  
15 noticeable and easily understandable by the USER. A disclosure is CLEAR AND CONSPICUOUS  
16 when:

17 i. In textual communications (e.g., printed publications or words  
18 displayed on the screen of a computer or mobile device), the required disclosures are of a type, size,  
19 and location sufficiently noticeable for a USER to read, and comprehend them, in print that  
20 contrasts highly with the background on which they appear;  
21

22 ii. In communications disseminated orally or through audible means  
23 (e.g., radio or streaming audio), the required disclosures are delivered in a volume and cadence  
24 sufficient for a USER to hear and comprehend them;

26 television or streaming video), the required disclosures are in writing in a form consistent with  
27 subpart (i) of this definition and shall appear on the screen for a duration sufficient for a USER to  
28

1 read and comprehend them, and in the same language as the predominant language that is used in  
2 the communication;

3                   iv.           In all instances, the required disclosures: (1) are presented in an  
4 understandable language and syntax; and (2) include nothing contrary to, inconsistent with, or in  
5 mitigation of any other statements or disclosures provided by GOOGLE; and  
6

7                   v.           The disclosure must be reasonably accessible to USERS with  
8 disabilities. For disclosures provided online, this means that GOOGLE may take into account  
9 industry standards such as Web Content Accessibility Guidelines, version 2.1 of June 2018, from  
10 the World Wide Web Consortium, but nothing in this Judgment precludes GOOGLE from  
11 determining on a product-by-product basis how to make information reasonably accessible.

14 GOOGLE’s collection, use, and/or retention of USERS’ LOCATION INFORMATION in

19 ACCOUNT SETTINGS.

1 LOCATION INFORMATION is still stored in the USER’s GOOGLE ACCOUNT. This includes a  
2 USER whose LOCATION INFORMATION was uploaded to the USER’s GOOGLE ACCOUNT  
3 more than three years ago, and then the USER enabled or disabled the relevant setting(s) without  
4 uploading any new data within three years.

5  
6 l. “INDEPENDENT ASSESSOR REPORTS” means the Independent  
7 Assessor’s Transmittal Letter and Examination Report on Google LLC’s Privacy Program  
8 transmitted on a biennial basis that are prepared by a qualified, objective, independent third-party

22 to identify the LOCATION OF PRESENCE.

23 q. “LOCATION-RELATED ACCOUNT SETTING” means LOCATION  
24 HISTORY, WEB & APP ACTIVITY, or any other ACCOUNT setting GOOGLE implements  
25 after the EFFECTIVE DATE that has the same or substantially the same functionality with regard  
26  
27  
28

1 to the collection, retention, and use of LOCATION INFORMATION as LOCATION HISTORY  
2 and WEB & APP ACTIVITY.

3 r. “MULTISTATE AVC” means the Assurance of Voluntary Compliance  
4 Google entered into with 40 states on December 14, 2022.

17

18 w. “WEB & APP ACTIVITY” means the ACCOUNT setting that saves a  
19 USER’s activity across certain GOOGLE sites and apps to the USER’s ACCOUNT, including  
20 some types of LOCATION INFORMATION.  
21

### 22 **III. INJUNCTION**

23 3. The duties, responsibilities, burdens, and obligations undertaken in connection with  
24 this Judgment apply to GOOGLE and its directors, officers, employees, representatives, agents,

26 for paragraphs 5, 24, 36, and 37.  
27

#### 28 **Incorporation of MULTISTATE AVC Terms**

1           4.       Paragraphs 5–23 of this Judgment incorporate certain terms of the MULTISTATE  
2 AVC. The Parties agree that to the extent GOOGLE has i) already complied with any obligations  
3 of paragraphs 5–23 prior to the EFFECTIVE DATE and ii) does not need to take any future steps  
4 to comply with obligations in paragraphs 5–23 with respect to California residents, nothing in this  
5 Judgment shall require GOOGLE to perform those obligations again after the EFFECTIVE

14

15                   b.       USERS that have disabled notification settings on their DEVICE may not  
16 receive the POP-UP NOTIFICATION referenced in paragraph 6(a).

17                   c.       Within thirty (30) days of the EFFECTIVE DATE, GOOGLE must also send  
18 an email to USERS who have LOCATION HISTORY or WEB & APP ACTIVITY enabled at the  
19 time of the notification, disclosing the same information described in paragraph 6(a).  
20

21           7.       GOOGLE must maintain a webpage (the “LOCATION TECHNOLOGIES  
22 PAGE”) that discloses GOOGLE’s policies and practices concerning:

- 23                   a.       the types of LOCATION INFORMATION collected by GOOGLE;
- 24                   b.       the sources of LOCATION INFORMATION collected by GOOGLE;
- 25                   c.       whether and under what circumstances LOCATION INFORMATION collected  
26 and/or retained by GOOGLE is PRECISE LOCATION INFORMATION;
- 27                   d.       how enabling each LOCATION-RELATED ACCOUNT SETTING impacts the

2 precision and frequency of data collected, and whether each such setting applies across DEVICES  
3 linked to the same ACCOUNT;

4 e. how and to what extent USERS are able to limit in GOOGLE ACCOUNTS the

15 INFORMATION, including the fact that USERS cannot prevent the use of LOCATION

19 INFORMATION and the reason(s) GOOGLE retains the LOCATION INFORMATION;

20 j. how USERS can set auto-retention and deletion periods in GOOGLE  
21 ACCOUNTS for their LOCATION INFORMATION, including a link to the controls;

22 k. how and to what extent LOCATION INFORMATION can be:

25 iii. automatically deleted by GOOGLE;

26 l. whether and what types of LOCATION INFORMATION are collected from  
27

3 INFORMATION;

4 m. USERS' ability to reset any pseudonymous IDs or obfuscated IDs that use  
5 LOCATION INFORMATION; and

7 INFORMATION collected or stored by any LOCATION-RELATED ACCOUNT SETTING is  
8 pseudonymized, anonymized, or de-identified when deleted by a USER.

9  
10 8. The LOCATION TECHNOLOGIES PAGE must be designed and presented in a  
11 CLEAR AND CONSPICUOUS disclosure.

12 9. GOOGLE must disclose as part of the opt-in flow for LOCATION HISTORY ways  
13 in which LOCATION INFORMATION previously stored in LOCATION HISTORY that has been  
14 de-identified or anonymized is used. The disclosure required in this paragraph must be CLEAR

16 HISTORY within their ACCOUNT Data & Privacy Page or while using a GOOGLE product.

17 10. When USERS enable or are prompted to enable a LOCATION-RELATED  
18 ACCOUNT SETTING while using a GOOGLE product, GOOGLE must present a CLEAR AND  
19 CONSPICUOUS disclosure that includes:

20 a. a hyperlink to the LOCATION TECHNOLOGIES PAGE; and  
21 b. the following information concerning the LOCATION-RELATED ACCOUNT  
22 SETTING:

23 i. sources of the LOCATION INFORMATION for the LOCATION-

26  
27  
28

1 collects, retains, and uses LOCATION INFORMATION;

2                   iii. retention of LOCATION INFORMATION stored with a USER's  
3 ACCOUNT when the LOCATION-RELATED ACCOUNT SETTING is enabled, and deletion  
4 controls available to USERS; and

5                   iv. whether the LOCATION-RELATED ACCOUNT SETTING collects  
6 LOCATION INFORMATION even when USERS are not using a specific GOOGLE service.  
7

8           11. When USERS enable or are prompted to enable a LOCATION-RELATED  
9 ACCOUNT SETTING within their ACCOUNT Data & Privacy Page, GOOGLE must present a  
10 CLEAR AND CONSPICUOUS disclosure that includes:

11                   a. a hyperlink to the LOCATION TECHNOLOGIES PAGE; and  
12                   b. the following information concerning the LOCATION-RELATED ACCOUNT  
13 SETTING:

14                   i. sources of the LOCATION INFORMATION for the LOCATION-  
15 RELATED ACCOUNT SETTING;

19 ACCOUNT when the LOCATION-RELATED ACCOUNT SETTING is enabled, and deletion  
20 controls available to USERS; and  
21

22                   iv. whether the LOCATION-RELATED ACCOUNT SETTING collects  
23 LOCATION INFORMATION even when USERS are not using a specific GOOGLE service.  
24

25           12. GOOGLE must include the following in its ACCOUNT CREATION FLOW:

26                   a. CLEAR AND CONSPICUOUS disclosures regarding the collection, retention,  
27 and use of LOCATION INFORMATION, including but not limited to GPS, IP address, DEVICE  
28

1 sensor data, Wi-Fi data, and Bluetooth data, that the USER agrees to prior to creating an  
2 ACCOUNT;

3           b. a hyperlink to the LOCATION TECHNOLOGIES PAGE;

4           c. an additional dialogue advising USERS of LOCATION-RELATED ACCOUNT  
5 SETTINGS enabled by default, including WEB & APP ACTIVITY, and providing USERS with the

25           17. GOOGLE must give USERS the ability to disable a LOCATION-RELATED  
26 ACCOUNT SETTING and delete the LOCATION INFORMATION stored by that setting in a  
27 single, continuous flow, i.e., without needing to navigate to a separate surface or page.  
28

1           18.       GOOGLE will refrain from sharing a USER’s PRECISE LOCATION  
2 INFORMATION with a third-party advertiser, absent EXPRESS AFFIRMATIVE CONSENT for  
3 sharing and use by that third party. GOOGLE’s obligations under this paragraph will not restrict  
4 GOOGLE’s ability to comply with federal, state, or local laws or regulations that require GOOGLE  
5 to follow particular processes when obtaining USER consent.  
6

7           19.       GOOGLE will automatically delete LOCATION INFORMATION derived from a  
8 DEVICE or from IP addresses in WEB & APP ACTIVITY within thirty (30) days of collection of  
9 such LOCATION INFORMATION.

10          20.       GOOGLE will continue to automatically delete LOCATION HISTORY data for  
11 INACTIVE USERS within 180 days of the USER receiving an email notification that their data in  
12 LOCATION HISTORY will be deleted, unless USERS take steps to keep their data.

13                   a.       GOOGLE must send the email notification required by this paragraph within  
14 ninety (90) days of the USER becoming inactive.

15                   b.       For any USER who is an INACTIVE USER as of the EFFECTIVE DATE,  
16 GOOGLE will send the email notification required by this paragraph within thirty (30) days of the  
17 EFFECTIVE DATE.  
18

19          21.       Before materially changing how LOCATION HISTORY or WEB & APP  
20 ACTIVITY use PRECISE LOCATION INFORMATION after the EFFECTIVE DATE, GOOGLE  
21 will internally assess the privacy impact of that change.  
22

23          22.       Before materially changing how GOOGLE shares USERS’ PRECISE LOCATION  
24 INFORMATION collected in LOCATION HISTORY or WEB & APP ACTIVITY after the  
25 EFFECTIVE DATE, GOOGLE will internally assess the privacy impact of that change.

26          23.       All internal assessments in paragraphs 21 and 22 must be documented in writing  
27 within GOOGLE.  
28

1 Additional Injunctive Terms

2 24. GOOGLE will not make misrepresentations to USERS regarding an individual  
3 USER's LOCATION INFORMATION in ADS PERSONALIZATION.

4 25. In addition to the information required in paragraph 7, the LOCATION  
5 TECHNOLOGIES PAGE must disclose the following:

6 a. how USERS can find the ADS PERSONALIZATION LOCATION  
7 INFORMATION CONTROL and disable this setting;

8 b. how LOCATION INFORMATION is used for advertising when ADS  
9 PERSONALIZATION and the ADS PERSONALIZATION LOCATION INFORMATION  
10 CONTROL are enabled; and

11 c. how USERS can limit the use of LOCATION INFORMATION in advertising  
12 using the ADS PERSONALIZATION LOCATION INFORMATION CONTROL.  
13

14 26. When USERS enable or are prompted to enable ADS PERSONALIZATION while  
15 using a GOOGLE product, GOOGLE must present a CLEAR AND CONSPICUOUS hyperlink to  
16 the LOCATION TECHNOLOGIES PAGE.  
17

18 27. When USERS enable or are prompted to enable ADS PERSONALIZATION within  
19 their ACCOUNT Data & Privacy Page, GOOGLE must present a CLEAR AND CONSPICUOUS  
20 hyperlink to the LOCATION TECHNOLOGIES PAGE.  
21

22 28. For USERS who go through the ACCOUNT CREATION FLOW and do not expand  
23 "More Options" to review the WEB & APP ACTIVITY SETTING, GOOGLE will provide those  
24 USERS a notice advising them that their ACCOUNT is set up to allow GOOGLE to save their  
25 personal information, including LOCATION INFORMATION; and allowing those USERS to  
26 disable the WEB & APP ACTIVITY SETTING prior to completing ACCOUNT setup.  
27

28 29. When USERS enable or are prompted to enable a LOCATION-RELATED

1 ACCOUNT SETTING while using a GOOGLE product, GOOGLE must present a CLEAR AND  
2 CONSPICUOUS disclosure that, as long as it remains true for the LOCATION-RELATED  
3 ACCOUNT SETTING to which such a disclosure applies, stored LOCATION INFORMATION for  
4 that LOCATION-RELATED ACCOUNT SETTING may be used for ADS PERSONALIZATION.  
5

6 30. When USERS enable or are prompted to enable a LOCATION-RELATED  
7 ACCOUNT SETTING within their ACCOUNT Data & Privacy Page, GOOGLE must present a  
8 CLEAR AND CONSPICUOUS disclosure that, as long as it remains true for the LOCATION-  
9 RELATED ACCOUNT SETTING to which such a disclosure applies, stored LOCATION  
10 INFORMATION for that LOCATION-RELATED ACCOUNT SETTING may be used for ADS  
11 PERSONALIZATION.  
12

13 31. Before changing any disclosure in a LOCATION-RELATED SETTING or ADS  
14 PERSONALIZATION relating to LOCATION INFORMATION that GOOGLE anticipates will  
15 have a material privacy impact on USERS, GOOGLE's Privacy Working Group must review the  
16 proposed disclosure. For each disclosure that is published to USERS, GOOGLE shall maintain a  
17 record of the approval for publication of the disclosure.  
18

19 32. Before making any changes in how GOOGLE collects, stores, or uses USER  
20 LOCATION INFORMATION that GOOGLE anticipates would have a material privacy impact on  
21 USERS, GOOGLE's Privacy Working Group must review the proposed change.  
22

23 33. GOOGLE must not use a LOCATION HISTORY PROMO unless the LOCATION  
24 HISTORY PROMO routes USERS to a consent flow that informs USERS that the LOCATION  
25 HISTORY setting will save LOCATION INFORMATION independently of which GOOGLE  
26 product or service the USER may be using.  
27  
28

1 fourteen (14) days of the EFFECTIVE DATE.

2           38. To the extent permitted by the laws of the State of California, the California  
3 Attorney General’s Office shall treat any INITIAL COMPLIANCE REPORT, ANNUAL  
4 COMPLIANCE REPORT, or INDEPENDENT ASSESSOR REPORT (collectively, the  
5 “REPORTS”) provided pursuant to paragraphs 36 and 37, and all information contained therein, as  
6  
7 exempt from disclosure under the relevant public records laws and shall otherwise refrain from  
8 sharing or disclosing such REPORTS.

9 **IV. MONETARY PROVISIONS**

10           39. No later than seventy-five (75) business days after the EFFECTIVE DATE,  
11 GOOGLE shall pay the Attorney General the amount of \$93,000,000 (Ninety-Three Million

16 attorneys’ fees and costs.

17 **V. RELEASE**

18           41. By entry of this Judgment, GOOGLE is released and discharged from and against  
19 any and all civil claims known to the California Attorney General that the Californian Attorney  
20 General could have brought under Business and Professions Code sections 17200 and 17500 based  
21 on COVERED CONDUCT.

22  
23 The California Attorney General acknowledges he is familiar with section 1542 of the California  
24 Civil Code, which provides:

25           A general release does not extend to claims that the creditor or releasing party  
26 does not know or suspect to exist in his or her favor at the time of executing the  
27 release and that, if known by him or her, would have materially affected his or her  
28 settlement with the debtor or released party.

1           The California Attorney General waives and relinquishes any rights and benefits of  
2 section 1542 of the California Civil Code to the full extent that such rights and benefits may be  
3 waived.

5           42.    Unless otherwise provided, the time for compliance with the above terms is one  
6 hundred and eighty (180) days from the EFFECTIVE DATE.

7           a.     Where the aforementioned terms require GOOGLE to make certain disclosures to  
8 USERS, Google must make the disclosures in English with the 180-day time for compliance, and  
9 must make reasonable efforts to update disclosures in other applicable languages within a  
10 reasonable time thereafter.

11           43.    This Court retains jurisdiction of this matter for purposes of construction,  
12 modification, and enforcement of this Judgment.

13           44.    Nothing in this Judgment shall be construed as relieving GOOGLE of its obligations  
14 to comply with all state and federal laws, regulations, or rules, or as granting permission to engage  
15 in any acts or practices prohibited by such law, regulation, or rule.

16           45.    If the California Attorney General has reason to believe that GOOGLE has failed to  
17 comply with any of the terms of this judgment, and if in the California Attorney General's sole
